EDITORIAL

Welcome to our latest newsletter celebrating 10 years in business. We are delighted to have reached this milestone, demonstrating our commitment to provide consistent, creative photography, on budget and within deadlines. The last 10 years have been filled with both challenges and achievements and we are proud to have worked with local, national and international businesses helping to promote their products and services. Our cover photograph in this issue shows the beautiful countryside right on the doorstep of our studio at Close House Farm. We're very fortunate to work in such a great location only minutes away from Skipton town centre yet surrounded by open fields. We continue to offer up to date modern facilities coupled with the latest state of the art camera systems, producing images that grab your customers attention leading to increased sales. Finally a special mention must go to those of you who turned up on a regular basis for photo shoots shivering in a corner of an old mill in Cononley - your loyalty and support is valued and appreciated!

COVER SHOT:
Close House Farm - TN Cook Ltd.

CONTENT

- 4 **WOOD INSPIRES**
Woodwork by Nick Bailey.

WOOD INSPIRES

BEAUTIFUL FURNITURE
ENGINEERED FOR FUNCTION

Close up shots revealing attention
to detail and craftsmanship.

Tables crafted by Nick Bailey
shot on location.

BETTYS & TAYLORS

A GREAT YORKSHIRE
FAMILY BUSINESS

Hand crafting mold, shot on location at Bettys Craft Bakery.

Behind the scenes...

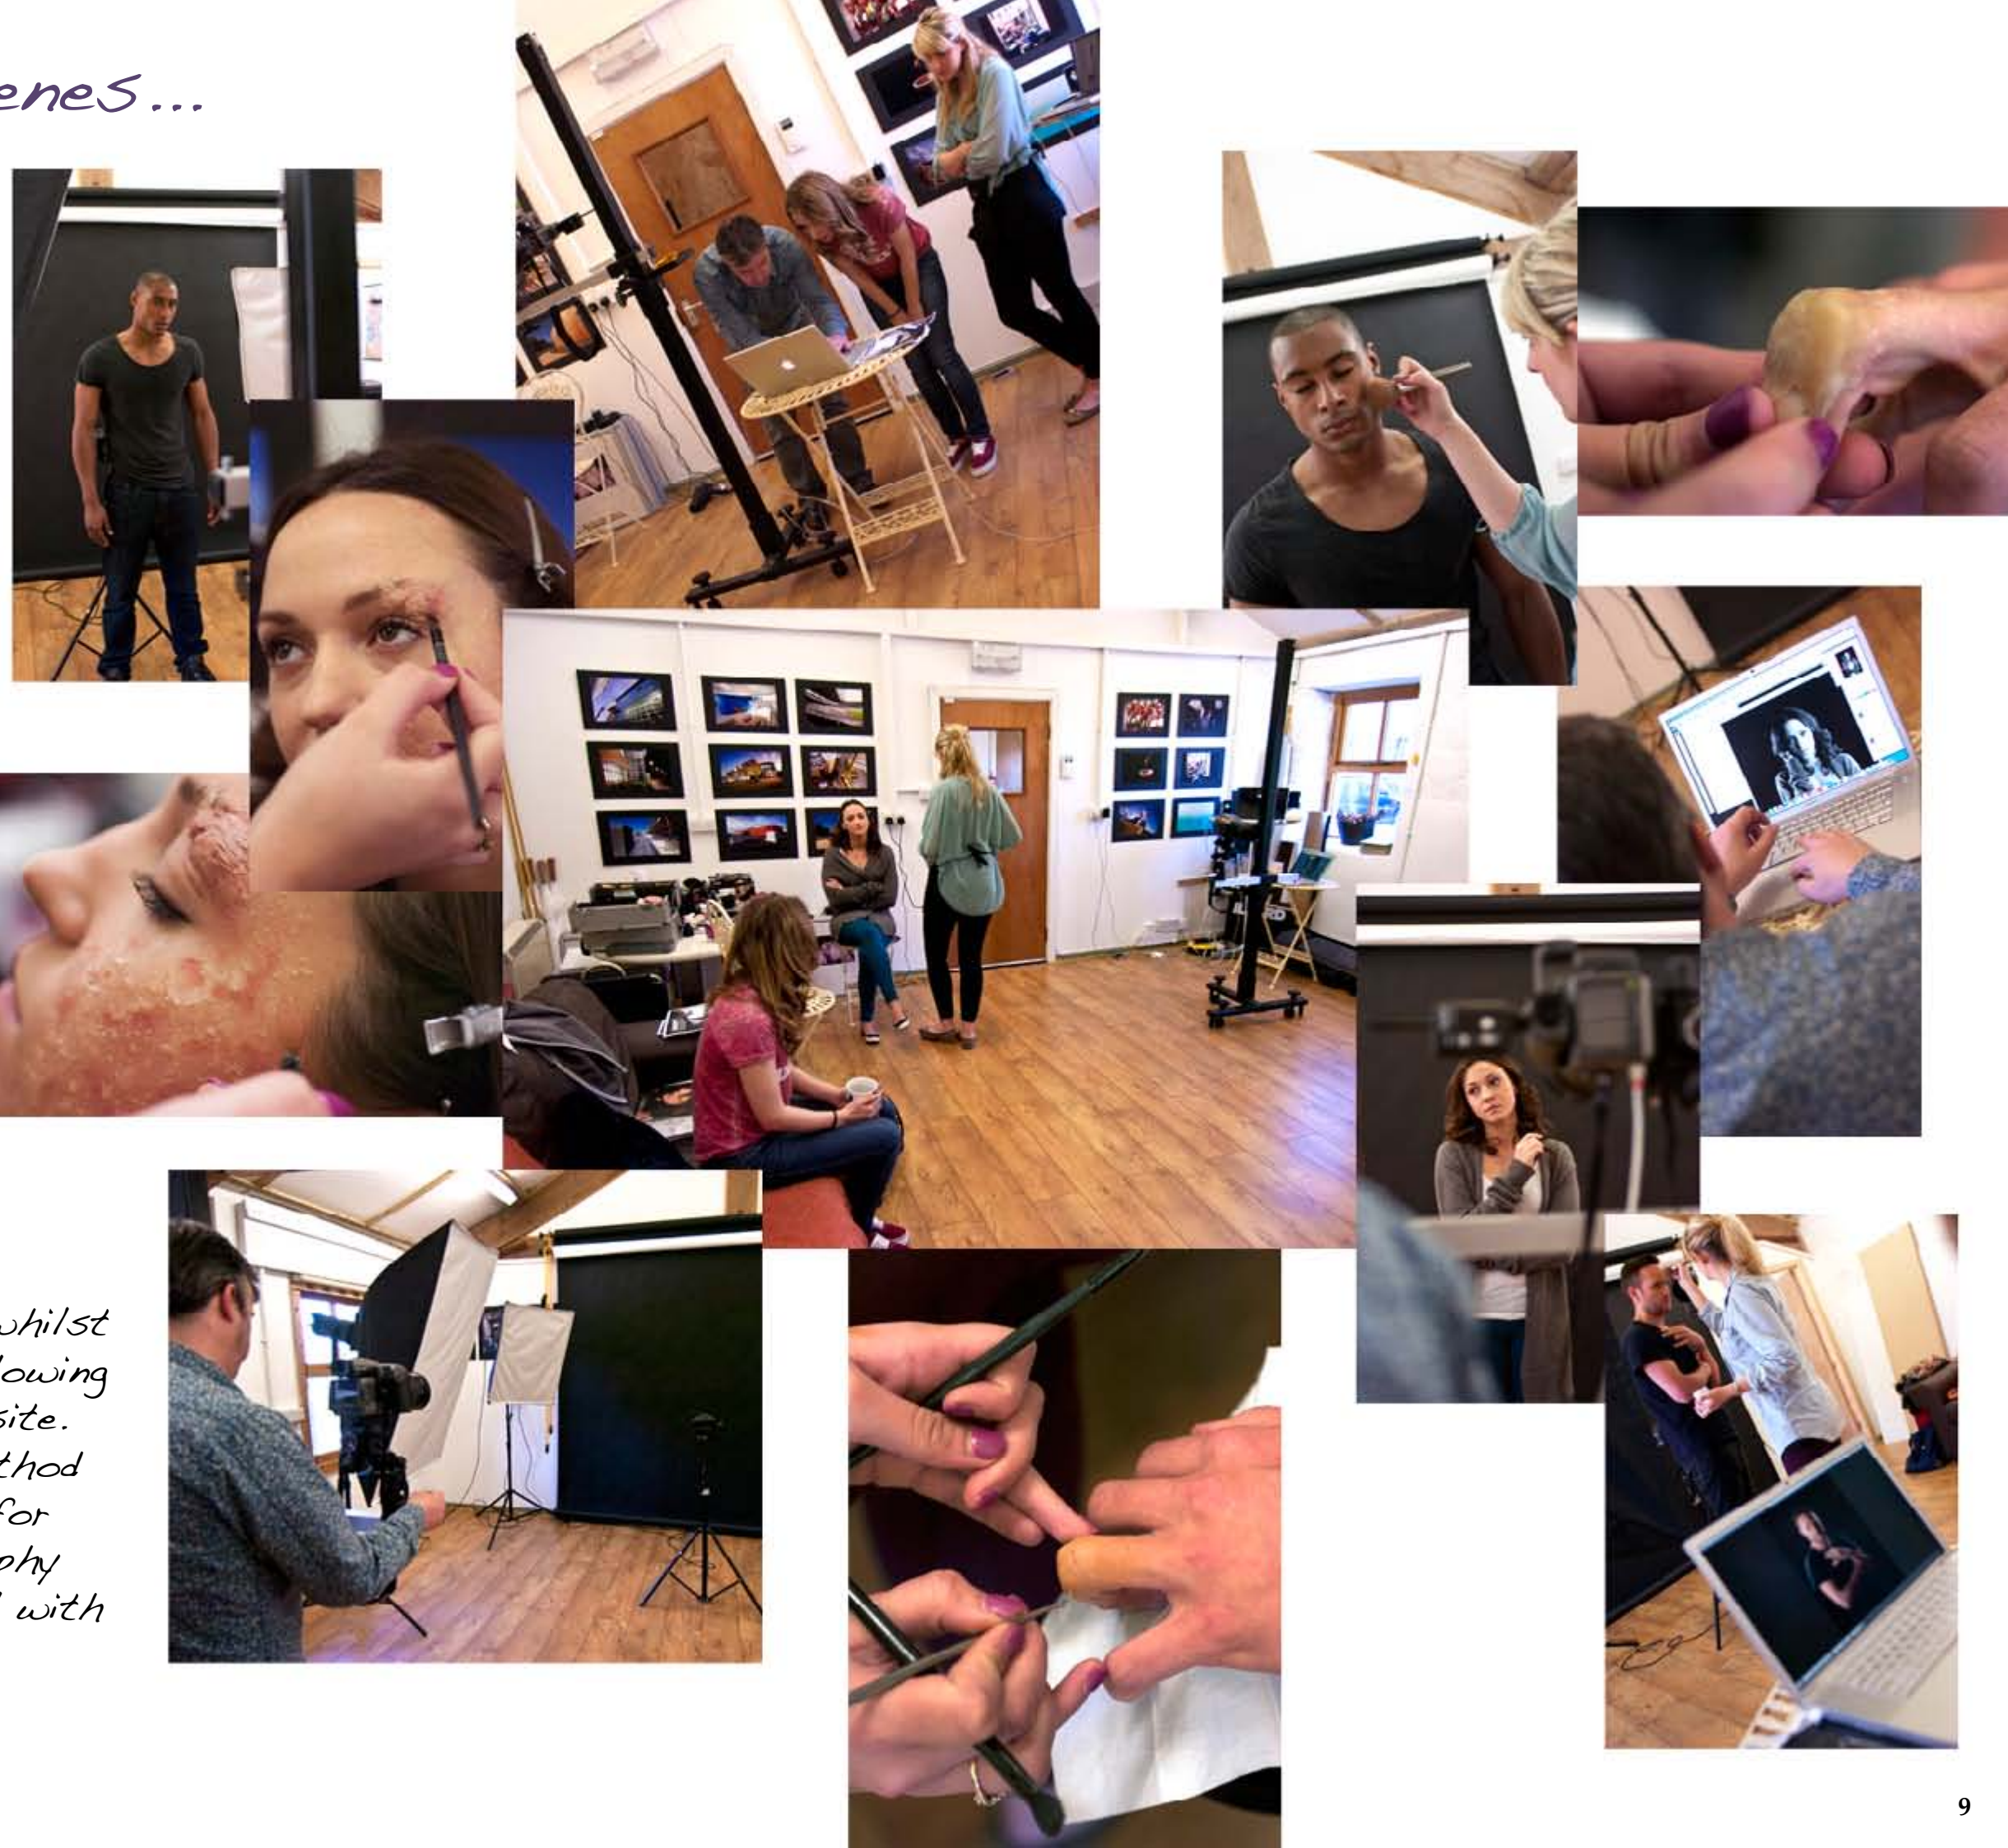

The Shoot:

Health and safety poster campaign, shot over 2 days at our studio in Skipton. Professional models were hired in along with make up artist Louise Devaney to provide the special effects.

The Brief:

To provide a series of black and white character portraits highlighting potential personal injuries, thereby promoting health and safety awareness.

All images were captured whilst tethered to a computer allowing instant client approval on site. Other benefits of this method include remote capture - for example overhead photography and remote camera control with live view facility.

Final outcomes from the studio shoot.

PRINCIPLE HEALTHCARE

VITAMINS MINERALS
& SUPPLEMENTS

Location shoot highlighting onsite facilities in Skipton.

Further images from the shoot.

MINSTER CARE GROUP
